[Kettering Health Network (KHN) offers our patients the opportunity to communicate by email. This form provides information about the risks of e-mail, guidelines for e-mail communication and how we will use e-mail communication. It also will be used to document your consent for us to communicate with you by e-mail.

<u>RISKS</u>

Communication by e-mail has a number of risks which include, but are not limited to, the following:

- E-mail can be circulated, forwarded and stored in paper and electronic files.
- Backup copies of e-mail may exist even after the sender or the recipient has deleted his/her copy.
- E-mail can be received by unintended recipients.
- E-mail can be intercepted, altered, forwarded or used without authorization or detection.
- E-mail senders can easily type in the wrong e-mail address.
- E-mail can be used to introduce viruses into computer systems.
- The privacy and security of email communication cannot be guaranteed.

HOW WE WILL USE E-MAIL

- We will limit e-mail correspondence to <u>established</u> patients who are adults 18 years or older, or the legal representatives of established patients.
- We will use e-mail to communicate with you only about non-sensitive and non-urgent issues such as:
- Questions about prescriptions, use of glasses or contact lenses, etc.
- Routine follow-up questions,
- Appointment scheduling, and/or
- Billing questions.
- All e-mails to or from you will be made a part of your medical record. You will have the same right of access to such e-mails as you do to the remainder of your medical file.

E-mail Address: ______ Phone Number:

- 4) Your e-mail messages may be forwarded to another office staff member as necessary for appropriate handling.
- 5) We will not disclose your e-mails to researchers or others unless allowed by state or federal law. Please refer to our Notice of Privacy Practices for information as to permitted uses of your health information and your rights regarding privacy matters.
- 6)

IN A MEDICAL EMERGENCY, DO NOT USE E-MAIL...CALL 911. Also, do not use e-mail for **urgent problems**. If you have an urgent problem, call your physician office or go to an urgent care facility/emergency room facility.

GUIDELINES FOR E-MAIL COMMUNICATION

- Include the general topic of the message in the "subject" line of your e-mail. For example, "advice," "prescription," "appointment" or "billing question."
- 2) The e-mail message should not be timesensitive. While we try to respond to e-mail messages daily, it may take up to three (3) working days for us to respond to your message. Urgent messages or needs should be relayed to us using regular telephone communication.
- 3) Include your name and phone number in the body of the message.
- 4) Review your message to make sure it is clear and that all relevant information is included before sending.
- 5) Send us an e-mail confirming receipt of our message after you have received and read an e-mail message from us.
- If your e-mail requires a response from us, and you have not heard back from us within three (3) working days, call our office to follow-up to determine if we received your e-mail.
- Take precautions to protect the confidentiality of e-mail, such as safeguarding your computer password and using screen savers.
- 8) Inform us of changes in your email address.
