Solar Eclipse Watch Party

On Monday, April 8, people in the Dayton area will be able to view an almost total solar eclipse by just stepping out of their homes. This has not happened in this area since 1806! KHSL will have a Solar Eclipse Watch Party beginning at 2:30 PM in the Lobby. Residents will hear about safety during this event, and special glasses will be distributed that make it possible to view the eclipse safely. Tamra will have fun snacks to eat, too! The total eclipse is predicted to pass over Dayton at 3:09
