Helping you be your best

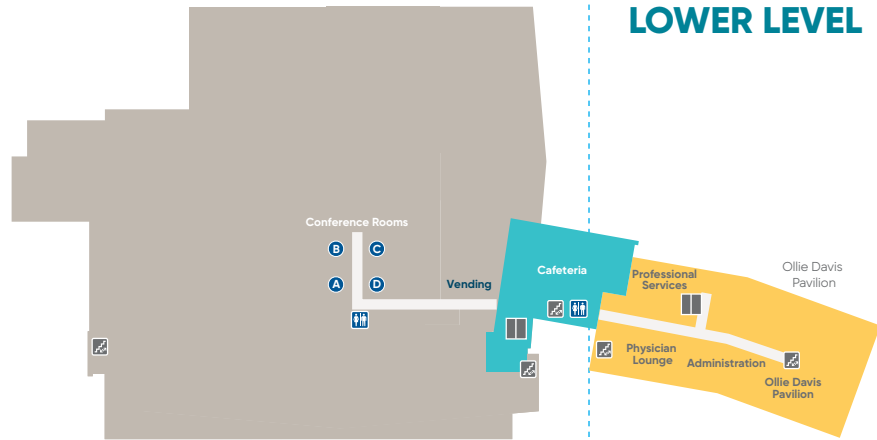

Indu and Raj Soin Medical Center opened its doors in 2012. From its convenient location off Interstate 675 and US Route 35 in Beaver Creek, Soin Medical Center serves Greene, Clark, Montgomery, and Miami counties. Our serene environment is specifically designed to promote peace and healing. Services

include a Level III Trauma Center, maternity care, heart and vascular care, orthopedics, surgery, cancer care, and radiology.

Soin's tower, which was completed in summer 2020, has added more intensive care unit beds and operating room space to further serve the community.
