POLICY:

KH is committed to providing financial assistance to patients who have sought Emergency or Medically Necessary care that meet the eligibility requirements for the Financial Assistance Program outlined in this policy.

KH will not engage in Extraordinary Collection Activities (ECA) against an individual to obtain payment for care before KH has made reasonable efforts to determine whether the individual is eligible for assistance for the care under the Financial Assistance Program outlined in this policy.

Furthermore, KH prohibits any actions that would discourage individuals from seeking emergency medical care, such as by demanding the emergency department patients pay before receiving treatment for emergency medical conditions or by permitting debt collection activities that interfere with the provision, without discrimination, of emergency medical care. KH will provide, without discrimination, emergency medical care or medically necessary care as defined in this policy to individuals regardless of ability to pay, eligibility under this policy, or eligibility for public assistance.

PROGRAMS: KH provides free or discounted services to eligible patients for Emergency or Medically Necessary Care. These programs are as follows:

Kettering Health (KH) Organization-Wide Policy

KH adopts this policy for KH Main Campus, KH Miamisburg, KH Behavioral Medical Center, KH Dayton, KH Washington Township, KH Greene Memorial, Soin Medical Center, KH Hamilton, KH Troy, KH Medical Group, KH Transportation Services, all hospital off- sites and KH facilities, KH Senior Living, and KH System Services.

1. **Hospital Care Assurance Program (HCAP).** HCAP, administered by Ohio's Department of Medicaid, provides funding to hospitals that provide a disproportionate share of uncompensated services to the indigent and uninsured.
2. **Financial Assistance Program.** KH Financial Assistance Program provides assistance to eligible individuals for Emergency or Medically Necessary Care in accordance with KH Sliding Scale. Individuals seeking assistance under this policy are only eligible after all third-party resources are exhausted. Individuals are expected to cooperate with requests for information from KH or its authorized representatives/agents. Individuals should complete the Medicaid application process to be eligible for financial assistance.

Uninsured or underinsured individuals may be eligible for other patient discount programs for Emergency or Medically Necessary Services. Such discounts shall not be combined with other discount programs unless explicitly allowed by such programs.

Financial assistance is not applicable to certain services or hospital programs where elective pricings have already been taken into consideration.

ELIGIBILITY REQUIREMENTS:

Financial assistance will be considered for those individuals who are uninsured and underinsured with eligible medical costs and who are unable to pay for their care, based on determination of financial need in accordance with this policy. This may include any of the following conditions:

1. Individual has no third-party insurance coverage
2. Medicare or Medicaid benefits have been exhausted and the individual has no further ability to pay
3. Individual is insured but qualifies for assistance based on financial need to pay for the individual's balance after insurance
4. Individual meets State of OH Health Care Assurance Program (HCAP) charity requirements

ELIGIBILITY CRITERIA:

KH Financial Assistance Program eligibility is based upon income levels of up to 400% of FPG/FPL and is prorated in accordance with the KH Sliding Scale. Additionally, KH may use a family's assets to determine whether an individual meets the eligibility criteria for financial assistance.

1. **Income.** Income will be verified by using personal financial statements or obtaining copies of the applicant's most recent Form W2, Form 1040 bank statements, or any other form of documentation of income.
2. **Asset.** There may be situations where individuals may not have reported income but have significant assets available to pay for healthcare services. KH may evaluate and require documented proof of any assets that are categorized as convertible to cash and unnecessary for the patient's essential daily living expenses.

A list of participating and nonparticipating providers is maintained on a separate document, which is updated quarterly, and is not attached to this policy. Individuals may obtain this list, free of charge, on KH's website, www.ketteringhealth.org/financial, or by contacting KH Customer Service at (866)-319-2981.

To apply for KH Financial Assistance Program, individuals should submit a **completed** application including supporting documents as required and/or requested, either in person, by mail, or electronically.

1. The financial assistance form is available in the emergency departments and registration areas of the hospital and on the KH website at www.ketteringhealth.org/financial. Individuals may also request the application by mail or email by contacting a financial counselor at financialcounselors@ketteringhealth.org.
2. A completed application form should be signed by the individual or his/her authorized representative as appropriate. In addition to completing the application form, individuals should supply, but not limited to, the following documentation:
 - a. Proof of income for applicant (and spouse, if applicable) such as pay stubs, unemployment payment stubs, or other information on how patients are currently financially supporting themselves
 - b. Bank statements
 - c. Tax return
 - d. Documentation of assets
3. Financial assistance application will be considered up to 240 days after the first post discharge billing statement.
4. KH may use, as an exception, a previous determination of financial assistance eligibility as a basis for determining current eligibility in the event the individual is not able to provide sufficient documentation to support an eligibility determination. Additionally, a financial application will be considered valid up to six (6) months after the last date of application approval.
5. KH will review the application and supporting documents received to determine eligibility for the appropriate discount percentages in accordance with the KH Sliding Scale.

COMPLETE FINANCIAL ASSISTANCE PROGRAM APPLICATIONS: If an individual submits a completed application during the application period, KH will:

1. Suspend any ECAs to obtain payment for the care;
2. Make and document the determination as to any individual's eligibility for financial assistance in a timely manner and notify the individual in writing of the eligibility determination including, if applicable, the assistance for which the individual is eligible and the basis for this determination.
3. If KH determines the individual is FAP-eligible for the care, KH will do the following:

Kettering Health (KH) Organization-Wide Policy

KH adopts this policy for KH Main Campus, KH Miamisburg, KH Behavioral Medical Center, KH Dayton, KH Washington Township, KH Greene Memorial, Soin Medical Center, KH Hamilton, KH Troy, KH Medical Group, KH Transportation Services, all hospital off- sites and KH facilities, KH Senior Living, and KH System Services.

- a. Provide the individual with a billing statement and letter (not required for \$0 balance) that indicates the amount the individual owes for the care as a FAP-eligible individual and how that amount was determined and that states, or describes how the individual can get information regarding, the AGB for the care
- b. Refund excess payments to the individual provided no other balances are due that are ineligible for financial assistance (with the exception of Presumptive Eligibility)
- c. Take all reasonably available measures to reverse any ECA (with the exception of a sale of debt) taken against the individual to obtain payment for the care.

PRESUMPTIVE ELIGIBILITY:

Individuals may be presumed eligible for KH Financial Assistance Program without a completed application on file. KH may use different individual life circumstances that include, but may not be limited to, the list below as the basis for Presumptive eligibility.

1. Homelessness or received care from a homeless clinic.
2. Individual is deceased with no known estate.
3. Individual is incarcerated.
4. Individual is Medicaid eligible but not on the date of service.

KH may also utilize third-party scoring to determine if individuals have presumptive financial assistance eligibility. Individuals who were presumed eligible for less than the maximum assistance under KH Financial Assistance Program may submit additional information outlined in this policy for further review. Individuals presumed to be FAP-eligible, who make payments more than the AGB, will no longer be considered FAP-eligible unless they submit an application and are approved.

KH SLIDING SCALE:

PROGRAM	% FPL	DISCOUNT
HCAP	0% - 100%	100%
Financial Assistance – Extended	0% - 250%	100%
Financial Assistance – Basic	251% - 400%	80%

KH will not charge individuals determined to be FAP-eligible more than the established AGB outlined in this policy for Emergency or Medically Necessary Services.

AMOUNT GENERALLY BILLED (AGB):

KH determines the AGB by utilizing the “look-back” method. In accordance with IRS Code §1.501(r)-5(b)(3)(i), KH calculates its AGB percentage based on Medicare fee-for-service and all private health insurers that pays claims to KH. The AGB percentage is calculated by dividing the sum of all claims allowed by private pay insurers (including Medicare Advantage) and Medicare (Traditional) by the sum of the associated gross charges of claims for services with a discharge date from the previous 12-month period.

Each hospital under the same Medicare provider agreement calculates its own AGB separately, however, KH uses the same discount for all of KH based on the AGB percentage that yielded the largest discount.

Kettering Health (KH) Organization-Wide Policy

KH adopts this policy for KH Main Campus, KH Miamisburg, KH Behavioral Medical Center, KH Dayton, KH Washington Township, KH Greene Memorial, Soin Medical Center, KH Hamilton, KH Troy, KH Medical Group, KH Transportation Services, all hospital off- sites and KH facilities, KH Senior Living, and KH System Services.

DETERMINATION OF ELIGIBILITY FOR FINANCIAL ASSISTANCE PRIOR TO ACTION OF NONPAYMENT:

KH makes reasonable efforts to determine whether an individual is eligible for assistance under the policy prior to or at the time of admission or service. If an individual has not been determined eligible for financial assistance prior to discharge or service, KH will bill for care.

If the individual is insured, KH will bill the individual's insurance provider(s) on record. Upon payment or response from the individual's insurance provider(s), any allowable remaining patient responsibility will be billed directly to the individual. In instances wherein there is a stop in insurance payment of a claim due to the individual needing to provide additional information to his/her insurer, the charges will be billed to the individual directly.

If the individual is uninsured, KH will bill the individual for the charges.

BILLING STATEMENT:

1. Individuals will receive a series of statements up to four statement levels delivered to the patient's preferred method either by mail to the address on record or electronically. Only accounts with an unpaid balance will receive a billing statement. KH representatives and/or authorized agents may attempt to contact individuals during the billing cycle which will be documented on the individual's account record.
2. Billing statements included the following information:
 - a. Date(s) of service(s)
 - b. Brief description of the service(s)
 - c. Amount owed for the service(s) provided
 - d. Contact information for addressing billing inquiries and disputes
 - e. Contact information for inquiring about Financial Assistance
3. The billing statement includes Kettering Health Medical Group (KHMG) and KH hospital facilities services only. Statements from Kettering Transport Services, non-KHMG physicians or other non-KH facilities involved with your care will be sent separately. For assistance with these additional statements, please contact the physician's office or facility directly.

ACTIONS TAKEN IN THE EVENT OF NONPAYMENT:

KH will make reasonable efforts to determine whether an individual is eligible for financial assistance before it engages in ECAs. KH or its authorized agents will not initiate any ECAs for at least 120 days from the date KH provides the first post-discharge billing statement. Prior approval must be obtained before any ECAs may be initiated. If KH approves to engage in ECA, before any ECAs are initiated, KH or its authorized agent will:

1. Provide the individual with a written notice that:
 - a. Indicates financial assistance is available for eligible individuals;
 - b. Identifies the ECA(s) that KH or its authorized agents intend to initiate to obtain payment for the care; and
 - c. States a deadline after which such ECA(s) may be initiated that is no earlier than 30 days after the date that the written notice is provided
2. Provide the individual with a Plain Language Summary (PLS) of KH FAP

KH Vice President of Revenue Cycle or Senior Leader of Patient Financial Services has the authority to review and determine whether reasonable efforts have been made to evaluate whether the individual is eligible for assistance under this policy prior to the initiation of any ECAs.

MEASURES TO WIDELY PUBLICIZE THE FINANCIAL ASSISTANCE POLICY:

KH FAP, financial assistance application form, and PLS of KH FAP (collectively FAP Documents) are transparent and widely available to the communities served on its website, www.ketteringhealth.org/financial, and upon request at all KH emergency departments and registration areas.
