Like Kettering Health Dayton, Kettering Health Washington Township is an osteopathic teaching hospital. Whether you're welcoming a new baby at our maternity center; visiting our emergency department; receiving general surgery; seeing a GI specialist; or receiving hand care

at the Hand and Orthopedic Center of Excellence—the region's most advanced facility for hand surgery and hand-trauma—we're here for you.

The campus also includes Yankee Medical Center and the Medical Arts Center, which provide outpatient services, including orthopedic and cardiology services, physical therapy, imaging, neurology, and OB-GYN.
