Name of Winner	Facility	Program	Award Reason	Shoutout
<b>Ashley Barnett</b>	Kettering College	Gave a Shout-out	Excellence	Brittany is doing an outstanding job at educating our future nurses! She is an excellent instructor and shows compassion and caring to her students. Her work is truly appreciated.
<b>Janice Cosme</b>	Kettering College	B-WELL Shoutout	Belonging	Janice has such a natural ability to connect with prospective students and make them feel seen and welcomed from the very first interaction. She creates an environment where students feel comfortable, valued, and like they truly belong. She is great to have on the team!
<b>Katrina Hill</b>	Kettering College	B-WELL Shoutout	Leadership	Katrina is truly the best boss! She is always so supportive and encouraging in everything we do. She consistently shows up for our team, offers guidance when we need it, and creates an environment where we feel confident and supported. I'm so grateful to work under her leadership!
<b>Genesis Santos-Guzman</b>	Kettering College	B-WELL Shoutout	Excellence	Genesis is such a great teammate to work with! I've gotten to collaborate with her on a lot of projects, and she always goes above and beyond, delivering quick work that's still super high quality. I'm always impressed by her and the level of excellence she brings!
<b>Samantha Seaman</b>	Kettering College	B-WELL Shoutout	Excellence	Samantha is incredibly detail-oriented and brings care and precision to everything she does. She has an incredible knowledge base, is so personable with students, and is someone you can always lean on. Her reliability makes a big difference, and I'm so thankful to have her on our team!
<b>Linda Bass</b>	<b>KH Behavioral Medical Center</b>	B-WELL Shoutout	Excellence	Linda is always willing to jump in and help when we need it. Lately she has been navigating a lot for us in IOP and I want to give the shout out the it has not gone unnoticed. I personally want to thank her for all her help with referrals for my pts lately.
<b>Andrew Grumelot</b>	<b>KH Behavioral Medical Center</b>	B-WELL Shoutout	Belonging	Andy was such a calm and caring soul when caring for one of our patients at KHMB ICU. He was gentle and conversational when appropriate while also taking control when needed. I am grateful to have him as a member of the KH team.
<b>Rebecca Reitzel</b>	<b>KH Behavioral Medical Center</b>	B-WELL Shoutout	Excellence	Becky allowed me to observe a group therapy session, working with patient on coping skills after discharge. It was valuable to see her expertise and how she therapeutically addresses patient needs on a daily basis.
<b>Steven Sassaman</b>	<b>KH Behavioral Medical Center</b>	B-WELL Shoutout	Wholeness	Steve came in at 0400 to help me out. I wanted to take my son and granddaughter to see Phil Wickham. He didn't even blink an eye and within a few minutes responded back to me no problem!! Thank you Steve we had a great time.
<b>Mindy Wills</b>	<b>KH Behavioral Medical Center</b>	Gave a Shout-out		When we had a patient that would only eat food that was delivered directly by kitchen staff, Latonya didn't hesitate to bring the tray directly to the patient. It's great to work with you!
<b>Tiffany Canter</b>	KH Dayton	B-WELL Leader Shoutout	Excellence	Thank you so much for stepping up and helping out a teammate with her documentation for her first cardioversion. I know she felt confident with you at her side.
<b>Wanda Dix</b>	KH Dayton	B-WELL Shoutout	Excellence	Cafe was out of tuna when a customer requested it, and Wanda stepped in to help the customer without hesitation. She went downstairs to the kitchen to get the tuna. Wanda didn't have to do this, yet she was more than willing to help. Thank you Wanda for making the time and giving great service!
<b>Fran Eleyet</b>	KH Dayton	B-SAFE Leader Shoutout	Embrace Ownership	Fran, Thank you for taking the initiative and being prepared to help another team on short notice!

<b>Courtney Feeser</b>	KH Dayton	B-SAFE Shoutout	Be Attentive	Shoutout to Courtney for being attentive and available as she was aware I was evaluating a patient who impulsively sat EOB and set off his bed alarm. She purposely made herself available to assist to help keep the patient safe when I asked for assistance as no one else was available. Thank you!
<b>Jen Hoppe</b>	KH Dayton	B-SAFE Shoutout	Adopt a Questioning Attitude	Jen had an order for a pt to receive a foley catheter after bladder scan showed no urine and renal ultrasound showed no urine. Jen questioned hospitalist as pt was frail and if no foley, there cannot be a Cauti. Hospitalist said to wait for nephro. Nephro said that a foley didnt have to be placed
<b>Ryan Kline</b>	KH Dayton	B-WELL Shoutout	Excellence	Ryan stepped in to help out in the ICU Skills Day when our educator wasn't feeling great. Ryan has helped numerous times before and his experience and skill with the education he provides, helps to give our floor nurses the skill needed to care for our patients in the hospital. Thank you, Ryan!
<b>Sandra Parker</b>	KH Dayton	Gave a Shout-out		Thank you for going above and beyond to make sure our patients received care. I love how you jumped in and made a difference in the workload. Because of you our physician received the results to treat their patients.
<b>Patrick Sabol</b>	KH Dayton	Gave a Shout-out		Thank you for stepping up and coaching Jon through how to use the new cameras. The leadership you showed while teaching him through most of his compounds today while also keeping up with your own workflows/compounds was an impressive challenge that you completed perfectly.
<b>Heather Toschlog</b>	KH Dayton	B-SAFE Shoutout	Speak Up	RN Toschlog observed behavior that posed a potential risk to patient care and promptly reported it through appropriate channels. RN Toschlog took action to help safeguard patients and ensure continuity of care, allowing the risk to be addressed quickly.
<b>Crystal Watson</b>	KH Dayton	B-WELL Shoutout	Wholeness	Crystal constantly accesses the patients not just medical issues but the needs of the patient in every area. She constantly helps in areas even outside of her assigned to make sure that the patient obtains the best care admitted and post discharge. Crystal is amazing at how and what she does!
<b>Janine Marie Evardo</b>	<b>KH Greene Memorial</b>	B-SAFE Shoutout	Embrace Ownership	Thanks for identifying the issue with Remisol. I'm especially grateful that you took the initiative to follow up with the Remisol specialist til the end of your shift, rather than overlooking the problem like some others might have. Your care, dedication, and strong work ethic are truly appreciated.
<b>Truc Huynh</b>	<b>KH Greene Memorial</b>	Gave a Shout-out		I appreciate your willingness to rearrange your schedule to cover for a team member who is unexpectedly away. Your generous effort has helped to minimize the disruptions to everyone's schedules. Greatly appreciated !!!
<b>Toya Knick</b>	<b>KH Greene Memorial</b>	B-WELL Leader Shoutout	Learning	Thank you for taking our idea of your new role and running with it! I appreciate that I can trust you to stay up on all of the tasks! I think its a positive improvement for patient care and for our team!
<b>Cherry Panganiban</b>	<b>KH Greene Memorial</b>	B-WELL Shoutout	Belonging	I sincerely appreciate your willingness to adjust your schedule to cover 2nd shift. Your kind act has significantly eased the impact on the schedules of other team members and has allowed me to focus on other tasks. Without your support and sacrifices, my work life would be much more challenging.
<b>Karen Patterson-Palmer</b>	<b>KH Greene Memorial</b>	B-SAFE Shoutout	Adopt a Questioning Attitude	Karen you do amazing with our patients and had a great catch in making sure one of our patients was taking the correct medications. Our patients feel safe when you are around and I love working with you!
<b>Emily Arnold</b>	KH Hamilton	B-SAFE Shoutout	Embrace Ownership	Emily, Thank you for leading your team through a CMS survey! I appreciate your ownership and expertise!
<b>Lisa Caudill</b>	KH Hamilton	B-WELL Shoutout	Excellence	There was an Emergent case coming from ED and Lisa took control of the situation and came with patient to PACU and prepped patient for surgery as we continued to stabilize. The team work made everything as quick and fluent as possible. Patient was back to the OR quickly. Thank You!
